

FMVSS/CMVSS DISCLAIMER

AMF-Brunns designs, tests and builds its products to be compliant with applicable standards and/or regulations, including but not limited to Federal/Canadian Motor Vehicle Safety Standards ("FMVSS/CMVSS"). Installation of products and compliance with all applicable standards and/or regulations respecting such installation, is the sole and **exclusive responsibility of Customer**.

Customer hereby acknowledges and agrees that AMF-Brunns makes no warranty or representation of any kind in connection with the installation of AMF-Brunns' products in Customer's motor vehicle, or whether such installation complies with FMVSS/CMVSS or other applicable standards and/or regulations.

AS A RESULT, CUSTOMER HEREBY ACKNOWLEDGES AND AGREES THAT ALL SUCH WARRANTIES ARE HEREBY EXPRESSLY DISCLAIMED, WHETHER EXPRESSED OR IMPLIED, INCLUDING ANY WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

Customer hereby agrees to save, defend, indemnify and otherwise hold AMF-Brunns harmless of, from and against all losses, claims, damages, costs or expenses suffered by or made against AMF-Brunns by any party relating, directly or indirectly, to the installation of AMF-Brunns' products in Customer's motor vehicle, or any failure of said installation to comply with FMVSS/CMVSS and all other applicable standards and/or regulations.

Full compliance with FMVSS/CMVSS and its Regulations, as set forth under 49 USC 301, et. Seq., can only be achieved through proper in-vehicle testing. AMF-Brunns, its agents, employees, affiliates and subsidiaries are not liable for any damages resulting from the installation of any product in a vehicle that has not been FMVSS/CMVSS tested or any installation of a product that deviates from a FMVSS/CMVSS tested installation method. AMF-Brunns bears no responsibility for the design of any vehicle in which its products may be installed or any damages resulting from the design or manufacture of the vehicle.
